

DOMAINE L'OR DE LINE

RARE AND ELEGANT AOP WINE
OF CHATEAUNEUF-DU-PAPE

ORGANIC
WINE

HISTORY

The estate l'Or de Line, since numerous generations in the family Jacumin, is now run by Gérard Jacumin. Since 2009, this domain is organically grown and Gerard Jacumin works with the National Institute of Agronomic Research to improve permanently the quality.

TERROIR

3 types of terroirs : an clay - limestone covered with big pebbles of silica for grenaches, to give of the power to wines, a sandy soil on syrahs to develop their aromas and their elegance and, finally, clayey grounds for mourvedres and other vines to bring of the acidity and some balance to the blends.

SURFACE

4 ac of the prestigious appellation Chateauneuf-du-Pape. The white varietals are only 7 % of the appellation. White Châteauneuf-du-Pape are quite rare wines

VARIETALS

Blend of white Grenache, white Clairette, white Picpoul, Roussanne, Bourboulenc et Picardan – always white for these 3 varietals-

TECHNIQUE

Manual harvesting with a sorting of the grapes in the vineyards. Very limited yield of 35 hl/ha (one of the lowest in France) to increase the concentration.
Direct pressing of the grapes when arriving to the cellar with protection of carbon dioxide. Long vinification (25 - 30 days) at low temperature. Blending in tank. Bottling in the estate.

SERVICE

Temperature of service 10 ° à 12 °

MATCHING

Perfect as an aperitif, with smoked salmon, fishes, fish soups, shellfish in sauce or goat or ewe cheese. From its third year of aging, it matches with goose foie gras and with fattened chicken with the cream –and truffles-.

DESCRIPTION AND AGING

Elegant golden colour with hints of green, the meaning nose, smelling of citrus fruits and exotic fruits, toast and hazelnut. Well balanced when in mouth with mineral notes and an after taste of grapefruit.
2012 vintage, gold medal at the Rhone Valley wine show.
Awarded at the Concours Général Agricole of Paris and at the organic wine contest Amphora.
92/100 on the Gilbert and Gaillard wine guide.
